The East elevation of the Research Hub including landscaping works for University Square

Welcome to our January update

Site Progress

- Happy New Year from everyone at Multiplex.
- The traffic management at Byres Road has been reinstated following the Christmas break. This will be in place until March 2021 to facilitate the Westbound carriageway upgrade works.
- The external refurbishment works to the Boyd Orr Building will continue until the end of February. The lower levels being upgraded are the final section of the building to be worked on and will be followed by landscaping works.
- The Clarice Pears Institute of Health & Wellbeing steel frame is approximately 55% complete.

Built for **positive impact**

Pontecorvo Building wrapped ahead of demolition

Christmas Collection for Women's Aid

Glasgow Women's Aid has been supporting women, children and young people who are experiencing domestic abuse for over 35 years, providing information, support and temporary refuge accommodation.

Over 100 presents were kindly donated by the project team and supply chain including children's toys and perfume sets.
